PREFACE.

THE present edition of the Directory contains some three thousand names more than have ever before appeared in the work. To all who cherish the prosperity of Boston, it will be gratifying to observe the progress annually made in the business of the city.

Stimulated by the generous favor of the public, the annually augmented labor in compiling the Directory will continue to be entered upon with particular care to render it a true representative of the growing metropolis of New England.

Our thanks are due to all who have aided us in preparing the work, and we trust our patrons will find in it a valuable equivalent for their favors.

B. W. DUNKLEE & CO.'S WARMING AND VENTILATING FURNACE.

FOR DWELLINGS, SCHOOL HOUSES, STORES, CHURCHES, HALLS, FACTORIES, &c. This Furnace retains the same principle in several forms, adapted for a portable as well as a Brick Furnace. Thousands of references may be given in proof of the **Economy, Durability, and complete operation** of this Furnace. **We warrant the success of every Furnace**; (adapted for wood and coal.) Also, Penrhyn Marble Mantles, &c.; Parlor Grates, Cooking Ranges, and Stoves; Ventilators, Registers; Soap Stone work to order, &c.

B. W. DUNKLEE & CO., 111 & 113 Blackstone St., Boston.

PENRHYN MARBLE COMPANY

Architects, builders and all others are invited to examine them. Samples may be seen at the Warerooms of the Company.

Chimney Pieces & Pier Slabs,

Manufactured of Stone by the **PENRHYN MARBLE CO.** (Patented 1852.) These are new and beautiful articles, in imitation of the richest kinds of Marble. In style and finish they stand unequalled; are very highly polished, retain their beauty much longer than common marble, and are not injured by coal gas, smoke or acids. They have been extensively introduced into public and private buildings, giving perfect satisfaction. — The best references can be given, showing their adapt- edness for general use. While much superior in ap- pearance, they are sold cheaper than anything of the kind in the market. During the present season they have been awarded Gold Medals at the Exhibitions of the American Institute, New York, and the Massachu- setts Charitable Mechanic Association. In fact, the confidence with which they have thus far been used, gives the fairest evidence that the Penrhyn Marble, by its many advantages, will in a great measure supersede the use of all other.

PIER SLABS and **SHELVES** for parlors, chambers, &c., together with **Bronzed, Gilt, and other kinds of Brackets**, of various patterns, furnished to order.

JOSEPH STORY, Treasurer.

Corner of Tremont Row and Howard Sts., opposite Hanover St. (up Stairs,) Boston.

The Treasurer's Report for the year ending May 1st, shows the Company to be free of debt, and its financial affairs to be in a prosperous condition. The remaining lands and other property of the East Boston Company, May 1st, 1854 after deducting the land Dividend, No. 5, amounted to \$976,712.83 at the valuation of 1851. The above property is represented by 20,000 shares of stock.

The total number of buildings on the Island at this time, is 1963, of which 1504 are dwelling houses.

The resident population, so far as ascertained, is at this time about 11,000. In addition to this number, about a thousand mechanics and laborers find employment in East Boston, who reside elsewhere.

The products of the business of East Boston, during the last year, have amounted to over \$10,000,000. The greatest increase in any one particular branch of business, has been in that of ship-building. The number of vessels built the last year, including those now on the stocks, is 36, and their aggregate tonnage, 51,950.

CITY REGISTRAR.

NICHOLAS A. APOLLONIO. Salary, \$1,200. Clerk hire, \$850.

Office, City Building, 21 Court Square.

The Registrar is chosen in February or March, by the concurrent vote of the two branches of the city government. All births, marriages, and deaths, which take place in the city, are now required to be returned to this office, to be recorded, with such particulars in regard to each as the law requires.

It is important that this law should be strictly carried into effect; to the public, that the health and condition of the population may be known; and to every individual, that evidence may be furnished by the records of the three great events of life—birth, marriage, and death. Great personal inconvenience and pecuniary loss have often arisen from want of this evidence.

The city is canvassed in May, and again in January, in order to collect the proper information concerning children born during the year.

During the year 1853, five thousand five hundred and ninety-six births were registered.

PUBLIC LIBRARY OF THE CITY OF BOSTON.

LOCATED TEMPORARILY IN MASON STREET.

INSTITUTED 1852. NUMBER OF VOLUMES, 13,000.

BOARD OF TRUSTEES.

HON. EDWARD EVERETT, LL. D., President of the Board; GEORGE TICKNOR, LL. D., HON. JOHN P. BIGELOW, NATHANIEL B. SHURTLEFF, M. D., THOMAS G. APPLETON, Esq., from the citizens at large; Alderman OLIVER FROST; and GEORGE W. WARREN, Esq., of the Common Council.

EDWARD CAPEN, Librarian; SAMUEL M. BEDLINGTON, Assistant Librarian.

The Reading Room, connected with this Institution, was opened to the public on the twentieth of March, and for the circulation of books for home use on the second of May, 1854. The plan of the Trustees embraces a Reading Room and a Circulating Library. The Reading Room is open from 9 A. M. to 9, 30 P. M., and affords free of expense, a place of resort to all the inhabitants of Boston, above the age of sixteen years, who sign a promise to obey the rules and regulations. Those who make use of it will find spread out before them, upon tables conveniently arranged for reading and writing, the leading weekly, monthly and quarterly Journals of the United States and Great Britain, together with a good selection in the French and German Languages. They will also be able to consult and read at all times any book in the Reference Library; and, at such time as it may not be in home use, any book in the Circulating Library. The Library is open for the circulation of books, from 3 to 8 o'clock P. M., and freely affords its treasures for home use, under certificates applicable to each case, to past and present members of the City Council; to office holders under the City Government and all persons regularly employed by the City; to all officiating ministers of the Gospel, teachers of Private Schools and members of the Normal School; to all medal scholars, and an equal number of pupils proficient in their studies graduating

with them from the Public Schools; and to all the inhabitants of Boston over the age of twenty-one years, who are known to the Librarian, to be persons who ought to enjoy the privileges of the Library. These treasures are also accessible to all non-resident donors of one hundred dollars or an equivalent; to all who deposit the value of a book or set of books, for the time being; and to all, finally, who bring a certificate from a responsible citizen, who thereby makes himself liable for loss and injury. It is the wish of the Trustees to have a supply of reading adapted to the profession and calling of all classes of citizens, and with this in view, they have earnestly asked to be furnished with the title of any desirable book, the purchase of which will then depend upon its character and their judgment of the wants and means of the Institution. We cannot go into further detail without exceeding our limits. We have gone far enough to show that a free Library, embracing in its plan the broad domains of science, literature, and art, is accessible to all the inhabitants of a great City capable of appreciating its treasures, at first with thirteen thousand volumes, but, in its funds and friends, having the means of a rapid extension, that will soon enable it to hold the first rank among the Beneficent and Benevolent Institutions of Boston.

ALIEN PASSENGERS.

ALBERT G. GOODWIN, SUPERINTENDENT FOR THE PORT OF BOSTON.

Salary, \$1,500. Office, 59 Long Wharf.

REGULATIONS.

The laws of 1848 and 1850, in relation to Alien Passengers, being somewhat stringent in their operation, the last Legislature deemed it advisable to change or modify some of their provisions for the better protection of the Commonwealth. The following amendment was made concerning Alien Passengers.

The fifth section of the act entitled "An Act concerning Alien Passengers," approved on the tenth day of May in the year one thousand eight hundred and forty-eight, is hereby amended so as to read as follows:

If on examination there shall be found among said passengers any lunatic, idiotic, deaf and dumb, blind, or maimed person, no such person shall be permitted to land until the master, owner, consignee, or agent of such vessel, shall make and deliver to said Superintendent a bond to the Commonwealth, with satisfactory sureties in the sum of one thousand dollars, conditioned that such passengers shall not within ten years from date of said bond, become a city, town, or State charge within this Commonwealth. And in respect to every other of said passengers, the said Superintendent, before he shall be permitted to land, shall require a bond, secured as aforesaid, in the sum of three hundred dollars, conditioned that such person shall not become a charge as aforesaid within five years from the date of said bond; *provided*, however, that in lieu of the bond lastly above-mentioned the said Superintendent may receive from said master, owner, consignee or agent, such sum as in his judgment shall be sufficient to cover the risk incurred by the Commonwealth in permitting such passenger to be landed; and thereupon permit such passengers to be landed, *provided* that the sum so to be paid shall in no case be less than two dollars; and the names of all such passengers shall be certified by said Superintendent on the back of the report; and *provided further*, that if any passengers so arriving as aforesaid are so sick or destitute as to require relief, and if said master shall refuse to report them, or if said master, owner, consignee or agent shall refuse to give such bond as is herein required, the said Superintendent may permit them to be landed; and in such cases any city or town that shall be put to any expense for the support, sickness, or burial of any such passenger, within ten years of the time he has so landed, may maintain an action of debt against said master, owner, consignee, or agent, and recover all expenses incurred as aforesaid; and said commanding officer, owner, consignee, or agent, shall be liable to the penalties provided in the tenth section of this act.

Masters shall, within twenty-four hours after arrival, furnish to the Superintendent a list of the names, sex, occupation, condition, &c., of each passenger. No passenger shall be landed until such report shall have been made, and the proper examination made by the Superintendent.

Pilots and Masters of Vessels arriving with steerage passengers from Europe, are to anchor such vessels to the southwest side of Deer Island, until an inspection is made, and a permit given. No persons, except those allowed by law, will be permitted to go on board until the vessel is fully discharged by the proper officers.

Vessels arriving from any other ports with Alien Passengers on board must anchor to the eastward of the lines prescribed for the regulation of Boston Harbor, and there wait an inspection.

Masters of Vessels will greatly facilitate business by having a correct list of all the passengers, before their arrival in port.

ALIEN PASSENGERS AND STATE PAUPERS.

An Act to appoint a Board of Commissioners in relation to Alien Passengers and State Paupers was passed by the Legislature, 1851, which contained the following sections:

SECT. 1. The Governor and Council shall, in the month of January, annually, appoint a member of the Council, who with the Auditor of Accounts of the Commonwealth, and the Superintendent of Alien Passengers for the city of Boston, shall constitute a Board of Commissioners to superintend the execution of such laws as are now in force, or may hereafter be enacted in relation to the introduction of Aliens into this Commonwealth, and the support of State Paupers therein.

SECT. 2. The Commissioners shall have authority to appoint one or more persons, whose duty it shall be to visit, at least once in every year, all the almshouses or places in the Commonwealth, where State Paupers are supported, and ascertain, from actual examination and inquiry, whether the laws in respect to such Paupers are properly regarded, particularly in relation to such as are able to labor, or are but partially supported by the respective cities and towns; and, in case any infractions of the laws are discovered, make immediate report thereof to the Commissioners, who shall examine and decide upon all such cases, and thereupon notify the Auditor of Accounts. The Commissioners shall also give such directions as will insure correctness, in the returns now required to be made in relation to Paupers, and may use such means as are necessary to collect all desired information in relation to their support.

SECT. 5. Any aliens or other persons who shall be brought into this Commonwealth as above specified, shall, if they fall sick, or from any cause become a public charge within one year after coming into the Commonwealth, be supported so long as necessary, at the expense of said corporation or party by whose means they were brought into the Commonwealth, in the same manner as is now provided in regard to Alien Passengers by water; *provided, however*, that the party liable for support shall be notified of his liability, in any particular case, as soon as practicable, in order that he may, if so disposed, provide for other means of support or removal.

SECT. 6. The Commissioners shall annually in the month of January, make a report of their doings to the Governor and Council, and shall therein make such suggestions in relation to the present or other plans for the support of Paupers, as may occur to them.

The undersigned, Commissioners authorized by law to carry the foregoing act into effect, respectfully give notice that the same will be enforced on and after June 23, 1851.

Every person or corporation bringing Aliens into the State, by railroad or other conveyances, as contemplated by the law in question, is requested to notice said law and comply with its provisions.

V. B. PALMER'S AMERICAN NEWSPAPER AGENCY.

OFFICES:

BOSTON: Scollay's Building, Court Street.—**NEW YORK:** Tribune Buildings.
PHILADELPHIA: N. W. corner of Third and Chestnut Streets.

Affords every facility for the transaction of business with the best and most widely circulated Journals of all the Cities and principal Towns in the United States, British Provinces, &c., &c.,

THE AGENCY presents a convenient and complete opportunity for publishing Advertisements in any number of the best and most widely circulating Newspapers of the different cities and towns throughout the whole country, at the publisher's lowest rates, with the least possible trouble to advertisers, and with the greatest despatch.

By this method the advertiser is spared the labor of corresponding with the several papers, the expense of postage, and much time and perplexity in the settlement of bills. Besides this, he can know when his account is settled, and no apprehension need be entertained of the too common annoyance of bills being presented, after having been once paid.

Through the Agency a circumspect and discriminating choice of places, and the best selection of papers can be had, suitably adapted to various business pursuits—enabling persons to advertise judiciously, effectively, and safely.

Copies of the best Newspapers in the United States, may be seen and examined at the Agency, their respective merits understood, and a complete system of advertising adopted, upon either a large or small scale.

Advertisements are carefully and skilfully written, without charge, for those who are not experienced in the art—and improvements suggested in such as are written by unpractised hands.

A single copy of an advertisement only is required, from which a sufficient number are printed in such style as advertisers wish to have them appear in the papers, which insures correct insertions.

Copies of papers containing advertisements are forwarded to advertisers, and all requisite information given.

A list of places, papers, terms, and prices, may be had at the Agency, without charge.

The Agent is authorized to make contracts, and his receipts are regarded by the proprietors as payments. His long experience and extensive agency qualify him to impart valuable practical information.

As he has no connection with any other person, orders should be directed to V. B. PALMER.

The Agent believes that the material affairs of business transactions must be aided and sustained by a proportionate exercise of intellectual energy; and that this intellectual energy should keep pace with the facilities by which the material affairs of business are advanced. Every one is now obliged, if he would keep pace with the times, to aid his physical exertions in trade, or whatever business he may be engaged in, by due recourse to those means by which his business, trade, or profession, may become generally known. This is the intellectual part of his business, and the press is the medium through which it must, at the present day, be developed. Newspapers, now-a-days, are diffused far and wide; they are read by all, and are the vehicle by which men and establishments become generally known. As yet, this engine of intelligence has not attracted attention commensurate with contemporary improvements, simply because the material of business is more palpable and tangible; but the power of the press will yet be acknowledged as equal to that of steam for the furtherance of business enterprise.

☞ **To Public Institutions, Reading Rooms, Clubs, &c., as well as to individuals, in all parts of the world, the Agency presents a convenient, safe, and ready means of subscribing for the best journals of the Union, advertising in any number of the most desirable business Newspapers, and obtaining valuable information.**

Remittances may be made from any section of the country, with entire assurance that all orders will be faithfully and promptly attended to. Address V. B. PALMER, Newspaper Agent, BOSTON: Scollay's Building, Court Street.—NEW YORK: Tribune Building.—PHILADELPHIA: N. W. corner of Third and Chestnut Streets.

NOTICES OF THE PRESS.

V. B. PALMER'S NEWSPAPER AGENCY.

This old established agency continues to enjoy the full confidence of the press and the public. Whatever is intrusted to Mr. P. or his agents, is promptly attended to, and, as the press is under very great obligation to him, we are happy to know that he is enjoying the unlimited confidence, as he deserves the good wishes of those whom he has so long and so faithfully served.—*Albany Evening Journal.*

From an intimate acquaintance with Mr. Palmer, we are prepared to say that any business connected with the Agencies which he advertises, will be both promptly and honorably transacted. In the matter of Newspaper Agencies, he has reduced the business to such an admirable system that all parties can hardly fail to be satisfied.—*New York Daily Tribune.*

Palmer's enterprise, accompanied as it is with untiring industry, clear-sightedness, indomitable energy, and unwavering perseverance, deserves the reward which we have never doubted he would eventually receive.—*Phila. Ledger.*

Mr. Palmer has, by dint of great energy and indefatigable industry, succeeded in organizing this agency, and accomplishing, by means of it, objects that were deemed altogether chimerical when it was first commenced. His success has raised up a number of imitators, who now advertise News-

paper Agencies in the Eastern cities. Mr. Palmer is no way connected with any of these. Having the most unlimited confidence in his capacity and integrity, he is fully authorized to make all necessary contracts as agent for this paper. We wish it to be distinctly understood, that we have no other agent in any of the cities of New York, Philadelphia, or Boston, and that all inquiries relative to such contracts, coming from these cities, even although directed to ourselves, will be referred to his agency.—*Louisville Democrat.*

Mr. Palmer is, we believe, entitled to the credit of originating and establishing upon a general scale, in this country, this new and important public convenience, and we doubt not that its advantages will be duly understood and appreciated, and the enterprise by which they are afforded fairly rewarded.—*Baltimore Sun.*

We commend the old and well-established agency of Mr. V. B. Palmer. His business relations extend to nearly the entire press of the country.—*Buffalo Courier.*

V. B. Palmer is our only authorized agent in Boston, New York, and Philadelphia, and we shall not accept of any advertisements coming from other persons. We would here say to —, of —, if he will pass his advertisement into our agent's office, and he says it is "all right," we will insert it according to order. If not, do not trouble us again.—*Elmira (N. Y.) Democrat.*

CAUTION TO THE PUBLIC.

☞ To prevent imposition by pretending and unauthorized persons who infest some of the Atlantic Cities, many of the best papers in the United States and Canada have repeatedly given notice that V. B. PALMER is their only authorized Agent. The papers are on file at the Agency, and contain the following notice:—

"V. B. PALMER, the American Newspaper Agent, is the **only Authorized Agent** for this paper in the Cities of Boston, New York, and Philadelphia, and is duly empowered to take Advertisements and Subscriptions at the same rates as required by us. His receipts will be regarded as payments."

MEDFORD BRANCH RAILROAD.

Trains run to and from MEDFORD, a distance of five miles, eight times a day each way. Fare 17 cents. Time, 15 minutes. Season Tickets, \$33 a year. This is a beautiful village, and a desirable place for summer residence.

ADVANTAGES OF A RESIDENCE ON THIS ROUTE.

Somerville, Medford, Malden, Melrose, South Reading, and Reading, towns within the range of the special, as well as the longer trains, possess many advantages for country residences, either through the warm season or the whole year, not exceeded by those of any other towns in the vicinity of Boston. The cheapness of the fare, the number of trains, both early and late, in connection with the convenient depot at Boston, render this railroad a desirable channel of intercourse between the city and country. That the advantages of these places are appreciated is evident from the increasing demand for residences on this route, the demand for house lots, and the steady rise in the value of the land.

The terms of membership are *one dollar* only. Meetings of the association are held "on the Tuesday preceding the 4th Wednesday in May,"—and on the last Tuesday of August, November and February. The Directors meet monthly, and report annually.

No book, pamphlet or periodical can be taken from the Library; but the room is open to the members at all hours during the day—Sundays excepted—for reading, reference and consultation.

Since the organization in May, 1853, about 800 members have enrolled their names. The shelves of the Library already contain about 3000 volumes and more than 10,000 pamphlets, and an assortment of the current dailies, weeklies and monthlies.

SANCTIONED BY THE FACULTY OF MEDICINE.

TARRANT'S PREPARATIONS.

To the Medical Profession and the Public.

The attention of the Medical Profession and the Public is invited to the following preparation:

Tarrant's Effervescent Seltzer Aperient, prepared on an entirely new principle, from a late and accurate analysis of the celebrated

SELTZER SPRING, IN GERMANY, combining efficacy, economy and portability, with such additions and improvements as will be found materially to increase its efficacy.

This much esteemed and highly valuable preparation will not fail to effectually remove Dyspepsia or Indigestion, Billious Affections, Headache, Heartburn, Acidity of the Stomach, Costiveness, Gout, Rheumatism, Loss of Appetite, Gravel, Nervous Debility, Nausea of Vomiting, Affections of the Liver, &c. &c.

FAMILY MEDICINE.

Tarrant's Cordial Elixir of Turkey Rhubarb

Takes its place as the best remedy for dyspepsia or indigestion, of the present day; and for its efficacy and safety deserves the name of being in truth a Family Medicine. Those who suffer from excessive fatigue, mental anxiety, or intellectual application of whatever kind, will find it to be a medicine of extreme value. It is particularly recommended to those suffering from Billious and Nervous Headache, Diarrhoea, Constipation, Flatulency, Indigestion, Summer Complaints, Cholera Morbus, &c. &c., the utmost reliance can be placed on it, both as to its innocent nature and highly curative qualities.

Tarrant's Indelible Ink.

A superior article, warranted by the proprietor, and acknowledged by all who have tested it to be the best article of the kind now in use.

Tarrant's Compound Extract of Cubebs and Copaiba.

Sanctioned by popular opinion and the high authority of the most distinguished of the medical faculty, it offers

to the afflicted a remedy, whose success has in every instance supported its deserved reputation. Being convenient and agreeable in its use, experience has proved that it retains in every climate its desirable and truly valuable character. It is in the form of a paste, is tasteless, and does not impair the indigestion. It is prepared with the greatest possible care, upon well tested principles. To persons following the sea, or going long voyages, this preparation possesses qualities far surpassing any other—neat and portable in its form, speedy and efficacious in its operation, successful both in the earliest and worst stages of the severest disease, while the usual and nauseous taste and unpleasant odor of copaiba is wholly avoided in this preparation.

Prepared and sold Wholesale and Retail by JOHN A. TARRANT, successor to James Tarrant, 278 Greenwich, corner of Warren street, New York; and sold by E. M. Carey, druggist, Charleston, S. C.; P. H. McGraw, Natchez; J. B. Moore, Savannah; M. A. Santos & Son, Norfolk; W. S. Reese, Baltimore; Joseph Tucker, Mobile; Sickles & Co., New Orleans; N. D. Gilman, Washington, D. C.; T. W. Dyott & Sons, Philadelphia; Joseph T. Brown, Boston; Weeks & Potter, Boston; Rothmabler & Anderson, Georgetown, D. C.; Clements & Bloodgood, Flushing, L. I.

Thorn's Compound Extract of Copaiba and Sarsaparilla

Possesses a few advantages not enjoyed by any other medicine for the cure of sexual diseases; and which must, with an enlightened public, render it assuredly highly popular, and a desideratum long sought for in the medical world. It needs no confinement or change of diet. In its approved form, that of a paste, it is entirely tasteless, and causes no unpleasant sensation to the patient.

It has acquired the utmost fame in almost every part of Europe; it has been examined, approved of, and sanctioned by the faculty of medicine, and recommended by the most eminent of the profession. Prepared by J. B. Thorn, Chemist, London, and for sale, wholesale and retail, by J. A. TARRANT, sole agent for the United States, 278 Greenwich street, New York.

Important Caution!

The increased reputation and great demand for THORN'S COMPOUND EXTRACT OF COPAIBA AND SARSAPARILLA, have been inducements for others to offer an imitation of this valuable medicine. Venders are particularly warned of this fact, that they may be on their guard, and not dispose of an impure article, calculated to injure their reputation, and destroy the merits of the original preparation; to obviate which, the subscriber, (by whom it was first introduced into the United States,) has attached his signature to this caution, to counterfeit which is forgery.

A CARD TO THE PUBLIC.

A new feature in Daguerreotypes has recently been introduced by Brady, at
His Old Gallery, No. 205 Broadway, corner of Fulton Street.

The extent of his establishment enables him to

Produce for Fifty Cents and One Dollar,

Pictures of a quality Infinitely Superior to the phantoms usually designated Cheap Pictures.

This is a new feature in first class establishments, and the fame of the Artist is too well known to doubt success. The public can now rely on obtaining as good a picture for that price as can possibly be put up, and a far better portrait than can be obtained elsewhere at the same rates.

BRADY'S NEW GALLERY, 359 BROADWAY,

Is fitted up with great taste and beauty, and possesses greater facilities for the production of

FIRST CLASS PICTURES,

Than any similar establishment in this Country. These Galleries form an elegant resort for persons of taste, containing as they do, the

LARGEST COLLECTION OF DISTINGUISHED PORTRAITS IN AMERICA,

PRIZE MEDALS WERE AWARDED TO BRADY

At the World's Fair, in London, in 1851, and at the Crystal Palace, New York, 1853.

FRODSHAM'S WATCHES.

SIMON WILLARD,
No. 9 Congress Street, - - - Boston.

SOLE AGENT IN THE UNITED STATES OF AMERICA FOR THE SALE OF

CHARLES FRODSHAM'S
NEW SERIES OF IMPROVED CHRONOMETER WATCHES.

In the WATCHES of the New Series, MR. FRODSHAM has succeeded by a more perfect method of compensation, a more correct adjustment in isochronism, and an entirely new and peculiar construction of the train by which more power is obtained without increase of size, in producing timekeepers of wonderful and unrivalled accuracy. The great importance of the improved WATCHES is a perfect regularity of time, under every variety of climate, motion and position. So perfect are the adjustments, that the most violent exercise, such as horseback riding, jumping, &c., produces on them no sensible effect. They are, therefore, peculiarly adapted to Railroad purposes.

These WATCHES having been subjected to the severest test for the past three years, and having proved themselves perfect in all the essentials of correct timekeeping, S. WILLARD would recommend them with confidence to those in search of good WATCHES, as the best article ever introduced into the American market.

Liberty is given to refer to the following gentlemen, who, among many others, have proved the excellence of CHAS. FRODSHAM'S WATCHES as timekeepers:
